## EXPERIENCE

### G.W. School of Media & Public Affairs — *Research Assistant*

September 2019 - May 2020, September 2021-present

Work for an assistant director and professor specialized in Hollywood research. Responsibilities included **literature research**, **writing summaries** of relevant articles, updating databases, **transcribing** interviews, and researching notable workers in the TV industry.

### El Vocero — *Intern*

June 2019 - August 2019

Wrote **50+ articles** for the newspaper's web page based on press releases from Puerto Rican organizations, **government departments** and **agencies**, or recognized public figures. Published five articles under my own name that included interviews, original reporting, and research.

### Center for the New Economy— *Intern*

June 2021 - July 2021

Worked for a Puerto Rico-based think tank in their Washington, DC office focused on Congressional affairs. Responsibilities included **writing summaries of and attending Congressional hearings** regarding Puerto Rican affairs, **participating in grant meetings**, and **researching news coverage** of Puerto Rican economic efforts
